

International Choral Kathaumixw

Powell River, British Columbia

Every other summer, choirs from around the world meet on the edge of British Columbia's coastal wilderness in the town of Powell River to share their music and love of singing. A project of the Powell River Academy of Music, the festival, held in the first week of July, features glorious concerts, common song singing with internationally acclaimed conductors, choral and vocal solo competitions, promenade concerts, conductors' symposia and social events.

Following the festival, select choirs from overseas and the Americas tour throughout the Pacific Northwest performing many concerts. Organized and managed by volunteers, the International Choral Kathaumixw has become known worldwide for its friendly musical atmosphere and wonderful setting.
